Anointed lyrics inspired by the HOLY SPIRIT. 14 MP3 Songs HIP HOP/RAP: Spiritual Rap Details: Deed Da Gospel was called by the Lord to minister his Word. I was not saved forever though, Christ called me about 5 years ago. I came from the streets and I was always doing things that I had no right doing. Despite my negative lifestyle God had a plan for my life. He called me to get the streets prepared for His soon coming arrival. I wasn't called to do my own thing I was called to help bring people back to God. I minister through rap because this is the language that's most understood. I'm a soulja for God and i'm looking to recruit a spiritual army for the Lord. I believe I can do all things through Christ who strengthens me. My name is Deed Da Gospel which stands for Dre Encourages Every Day Da Gospel. I encourage you to find Christ today because tomorrow isn't promised to anyone. Stay strong and God Bless until next time.
