Truly Trans-forming music. A fresh understanding breeze that touches your heart, emotions and changes your outlook in life. Mysteriously familiar.. Fresh new music from Douglas L. Hill entitled Jesuguru. This music is the most suprising sound of inspirati 20 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: R&B Pop Crossover Details: Artist, Douglas L. Hill is making a mark on the music scene with his newly released CD project entitled: "Jesuguru" - now being distributed nationally and internationally. He has been mentioned in November 2004 Ebony Mag and Black Gospel Promo(and others not listed). This debut project contains songs that point to our hope-filled relationship with Christ and mankind. Douglas is ever ready to tackle the issues we all face to bring a light of clarity and a slightly different perspective and point of view on our day to day existence. Music with meaning and a message. To inspire you to hope again. "You are not alone and You can make it!" Douglas L. Hill has different styles, ranging from Contemporary Christian, Hip-Hop/R&B to jazz influences with thoughtful, catchy, and colorful lyrics as well as clear inspirational content. His hit singles "Kept an Eye" and "Faith Is" - Both singles are very dynamic, Genuine poignant ranging from inspirational to hip-hop/R&B respectfully. Yet, they drive home a strong message of faith. Douglas has been singing since his youth and plans to continue doing so for decades and decades to come. His current release is his second CD entitled "Jesuguru" released in early fall 2004. Douglas is an excellent dancer/performer and can move with the best of them. He has a hunger that exudes out of him - a fire burning on the inside, to be the best and change the world thru his creative expression. Unstoppable! Douglas, an Ohio native, is no stranger to Christian music as he grew up in church singing in church choirs, groups and community choirs. In 1995, Douglas started his own record label: Pre-Destinee Music Inc. - where he plans to help young artists to reach their potential through artist development in all areas. Doing this, all while taking his gift to the four

comers of the earth so that every person can be touched with the 'good news'. Douglas upon completing his CD (and before) has opened for several of today's top gospel artists such as 'Yolanda Adams' and 'Anointed' (2 years consecutively), The Williams Brothers, performed with Tremaine Hawkins, and (most recently) Vanessa Bell Armstrong, and other known recording artists. Douglas is a Praise Worship Leader of 10+ years and is a member of Bishop Noel Jones' church in Gardena, CA. - where he was an active member of the "Spirit and Truth" praise and worship team. Douglas has worked on such upcoming movies as the 2006 release of "Dreamgirls" (starring Beyonce, Jamie Foxx, Eddie Murphy, and Danny Glover) and was also in past hits like: "Spiderman2" "A Cinderella Story". He also appeared in "You got served", "Malibu's Most Wanted" sang a snippet of Marvin Gaye's "sexual healing" (in the hospital scene with Ben Stiller and Drew Barrymore) in the movie "Duplex" now on DVD. This is just the beginning... be on the lookout for music videos, concert dates, and television performances in the months and years to come. You will be blessed!
