Folky , slightly off-kilter pop songs with great hooks. DIY lo-fi with nice production and super mastering make this collection worthy of exploring. 14 MP3 Songs in this album (43:18) ! Related styles: POP: Folky Pop, FOLK: Alternative Folk People who are interested in The Velvet Underground The Mountain Goats Brian Jonestown Massacre should consider this download. Details: Here is my third CD, "The cat and the swallow". Recorded over the last 2 years in my home studio, this CD adds a bit more demension to the DTP sound without sacrificing the original style of my music. The mastering on this records sounds great as well. I hope you enjoy it as much as I enjoyed writing and recoding these songs.
