A master of colonial American music, his rich, soulful voice blends with a variety of traditional instruments to transport the listener 250 years into the past. 17 MP3 Songs FOLK: Traditional Folk, FOLK: Gentle Details: E.L. Kurtz is a master of colonial American music. His rich, soulful voice blends with a variety of traditional instruments to transport the listener 250 years into the past. "A Soldier's Journey", his debut release, is an amazing collection of authentic 18th century songs, each masterfully selected, arranged and performed to weave the tale of a young 1700s musician who dreams of glory as a soldier during America's defining years. From soundtrack-like battle scenes to powerful love songs to foot-stomping sing-alongs to heartfelt tributes, this collection of timeless songs covers it all. You'll be proud to add this album to your music collection.
