

Mp3 Elivia Melodey's Crystal Vibrations - Celestial Memories

[DOWNLOAD HERE](#)

Inspired singing crystal bowl music recorded live with the gentle addition of flutes, drum and vocals to provide the listeners with the perfect sonic space for deep healing, relaxation, meditation and bodywork. 10 MP3 Songs NEW AGE: Meditation, NEW AGE: Healing Details: Celestial Memories presents the pure sine wave tones of the Quartz Crystal Singing Bowls, with the gentle addition of flutes, chimes, vocals and drumming. Journey to spaces of deep relaxation and peace as the music of these crystal bowls opens up gateways of awareness and wholeness within your Being. The perfect pitch tones of these harmonically tuned instruments help to align your chakras, which balances and rejuvenates your vital life energies. Each song contains a specific healing energy channeled from the celestial realms, for the highest good of the listener. Perfect for relaxation, meditation, spiritual growth and healing. Since its debut in Spring of 2001, Celestial Memories is now being used in psychiatric, twelve step recovery and bereavement centers along with alternative healing practices for the gravely ill. Assisting with bringing into harmony the Body, Mind, and Spirit it has met with high praise from meditators, yoga and healing practitioners, individuals desiring stress release and of course all those who just love beautiful music! Elivia Melodey's Crystal Vibrations is composed of three gifted vibrational healers and musicians who have come together to produce this entrancing collection of inspired songs. As musical channelers, they work to translate into melodies, the loving energies from celestial Beings. Playing on an extensive collection of the Quartz Crystal Singing Bowls, their intent is to anchor in these high vibrational energies for individual and world healing. This is their first release. Crystal Vibrations Music 888 712-3833 Elivia - CrystalVibrationsMusic.com Crystal Tones, World's leading distributors of Singing Crystal bowls Inspired and skilled, Elivia's music is an uplifting combination of instrument and voice, uniquely brought together
