You silly Nut sucker! For those who don't know, and you really should by now if you have any sort of interest in cult/indie web stuff, Foamy the Squirrel is star of the cult web-toon Neurotically Yours showcased on illwillpress. This CD is a mixture of original comedy skits bits, and audio taken from the more popular cartoons including all 3 songs from the "Squirrel Songs III" episode. This particular disc is almost a virtual season of Foamy. Since i'm just one guy, I can only animate so many cartoons. What doesn't get animated ends up here. For those who want more samples than what's here, just watch some of the toons at illwillpress.com. SPREAD THE WORD OF FOAMY!!! SPREAD I SAY!
