Contemporary Jazz Sound with a Funk Flavor featuring electric bass and vocals 5 MP3 Songs JAZZ: Smooth Jazz, URBAN/R&B: Funk Details: I am an electric bass player residing in the Greater Orlando area, originally from New York City. Throughout the years, I have played in many venues from jazz, funk, rock, doo-wop and gospel. This CD is my first and represents the music I've created along with keyboardist, Justus Frazier(co-composer-2 songs). Contributions by other musicians I've met and play with helped to make this CD a memorable and musically sated experience. Listen and Enjoy as you journey through EXCURSIONS!
