Contemporary Christian Choral music featuring the London Chorale 80 voice choir, Classical Soloists, the Gregorian Mens Choir, the English Boys Choir, lush classical orchestration and dynamic classical guitar all set in a modern musical landscape. 14 MP3 Songs ELECTRONIC: Virtual Orchestra, ELECTRONIC: Down Tempo Details: The love of heavenly voices, the wonder of spiritual mystery, the desire to give praise to God, the love of triumph and celebration. The dynamic rhythms of life, its cautions, its fears, its tribulations, its uncertainty. All of the above inspired me to create this CD "Beyond Eden".
