

Mp3 Gyula Schreiber - Headway

[DOWNLOAD HERE](#)

Catchy guitar instrumentals with drive and sophistication. 12 MP3 Songs ROCK: Instrumental Rock, JAZZ: Jazz Fusion Details: ARTIST PROFILE Combining European flair with American spirit is the heart of Gyula Schreiber's music. Building on his Hungarian roots and incorporating influences from the L.A. and New York music scenes helped him develop a blend of styles that appeals to audiences worldwide. Living in Hawaii has also made a unique mark on the sound and overall feel of his compositions. His approach of writing brings out the joy of playing by inviting musical exchanges among musicians. Gyula's own passionate guitar playing highlights the color and essence of the story that is in each work. Programmatic in nature, his music is a great vehicle to go places unusual and exotic. Driven and dynamic, it is expressive, vibrant and has the gift to make the listener feel good. While genres and instrumentation may change frequently, his distinctive tones always convey fresh and creative ideas. Intertwining lines of guitars have the effect of producing rich orchestration and sublime textures. His purely instrumental music is a perfect fit for film or TV productions. If lifting one up to a higher plane while entertaining is the intention and purpose of most instrumental artists, he clearly succeeds on these accounts and that is the reason not to miss him live or on disk.
