A refreshing collection of honest, emotionally raw and vibrant songs coupled with Jennifer's breathy, ethereal voice and unaffected lyrics. 8 MP3 Songs. POP: Folky Pop, FOLK: Folk Pop. Details: Recorded in Brooklyn, NY, Jennifer Paskow's first CD, *Somewhere to Rest My Head*, is a collection of emotionally raw and vibrant songs, a soulful, honest account of her journey of self-discovery and search for a physical and spiritual place to call home. The album has the feel of a musical diary, as the listener is given a sense of shared privacy. Though Jennifer's music can fit into the folk rock/pop vein, her vocal style is heavily influenced by the emotional expressiveness of the great jazz singers, such as Billie Holiday, Carmen McRae, and Abbey Lincoln. The intimacy with which she articulates each line and the haunting quality of her voice fills her songs with a depth that makes one feel as if they're right there in the same room.
