Pop melodies with a punk sort of twist, combine to make up the Power Punk style this is. 10 MP3 Songs
POP: Power Pop, ROCK: Punk Details: What do you have in common with so many other skateboarding, t-shirt wearing, loud music loving people? You've found modern punk pop rock that you absolutely need to add to your music collection, unless you're into riverdance. The music here is a veritable explosion of excitement. From screaming distorted guitars that will make you skate the half pipe harder and higher. Grooves that'll make your head bob and Bass that will cause you and your board to soar? Imagine all the catchy vocal hooks and guitar riffs ala Good Charlotte, Blink 182, and musicality like Cheap Trick, then forget about 50 Cent or Eminem. Initial Spank by Jody Whitesides gives you with more extreme vertical desires in your earhole. *** We provide a money back guarantee for this CD. If don't like it, we'll give you a full refund straight from the Artist upon return within 30 days of purchase and in good condition. ***
