MacLean and MacLean Meets South Park 20 MP3 Songs SPOKEN WORD: Musical Comedy, SPOKEN WORD: Comedy Show all album songs: Into The Corrupted Mind Of The Demented Weirdo Songs Details: These two laid back characters, John and Lefty, met through mutual friends about 13 years ago. John has been writing and composing songs since the age of 14. Lefty was playing at 12 years of age and started writing songs at the age of 17. They love all styles and forms of music which neither one has a favorite. They were in and out of bands for about six years before forming one together in the later years. They had been taking on band members and they found that the members were not serious enough. Through out the years they ventured into different forms of work and business but are still at there happiest when writing and composing music. So they had decided together to become a song writing team known simply as John and Lefty.
