In the parallel universe where James Taylor and Tracy Chapman have a child together, the child would put out an album just like this. 7 MP3 Songs POP: Folkly Pop, URBAN/R&B: Soul Show all album songs: Love Songs For No One Songs Details: He was born by the river, in a little tent. No, wait, that was Sam Cooke. JT was born by a river; the Mississippi, to be exact. The Louisiana native was born in Baton Rouge and now resides in New Orleans. But that's not the important part of the story. The important part doesn't start until college, when he first picks up the guitar. And it really starts to get interesting when he writes his first song a few years later. In a crowded singer-songwriter niche, Spangler stands out with catchy melodies and straightforward lyrics. His passion is the study of humanity and social interaction and his hope is that these songs will add perspective for anyone who's ever been in a relationship (good, bad, or other).
