

## Mp3 Kate Fenner - Magnet

[DOWNLOAD HERE](#)

Lovely lush songs from a great singer/new(ish) songwriter, about, among other things, drinking too much, a beautiful girl in a hardware store, a cat, and Egon Schiele's wife Edith, on her deathbed. 9 MP3 Songs  
FOLK: Folk-Rock, POP: Pop Details: Magnet is Kate Fenner's second solo album, produced with long-time recording partner, Chris Brown. The title hopes to describe the things which draw us together--towards an ideal balance or an unwelcome inertia. Lush with strings, economical in length, long on poetry, she hopes you enjoy it. People who are interested in Joni Mitchell Roberta Flack should consider this download. Tags: pop
