

# Mp3 Master Peace Invaders - Invasion Day

[DOWNLOAD HERE](#)

Rugged, Grimey, Nasty, Funky , Gangster , Mafia , Imperial shit 17 MP3 Songs HIP HOP/RAP: Hardcore Rap Details: We at Master Peace Recordings , home of the Invaders , Oktane ( CEO ) Savage Adonis , MC Valor Shabazz , and others who would happen to come to get put out by me , please understand we are a 100 Pure Hip-Hop Label none of that other shit , But only Hip-hop of Every aspect , from Gangsta to Back Packer , not to disrespect any other music types , but if you looking for some live pure Hip-Hop ass Shit You have Come to the right place , this is what we do , all that other shit is just that other shit. We have been a team for years working on this record , we put out a mixtape , Invasion vol. 1 featuring Valor the man child. and after massive changes in our lives the Master Peace Invaders has brought "Invasion Day" the 2 1/2 year epic that will finally come to a release date with a independent label "Master Peace Recordings", new emcees that are just on top of their game and on a quest to still do shows which we never got to do but now it will happen. but more importantly Invasion Day is in the house and when the Master Peace Is in the house that mutha fucka burns down quick !!!!!
