After all these years and efforts, we have finally put together an Album full of feelings, memories, anecdotes and stories we have shared. Most songs composed by Lisandro Zapata are a mix of his Rock and Roll background, modern R&B and hip hop, with a hint of Jazz and funk but as danceable as the lovely Salsa that have kept Palenke alive! More traditional salsas are Adriana Santanas compositions and a couple of cover songs have been chosen to give more variety to the album. Kinacho, thanks to his experience at recording and sound engineering, has made Palenkes sound one of the finest of all the bands in London. Our first Album "Kachaco" is out now!
