From modern to traditional country this is a perfect gift album dedicated to family, especially the family man. 20 MP3 Songs COUNTRY: Country Folk, COUNTRY: Traditional Country Details: Family Man, by Penelope Torribio, is a great gift album. It contains songs for various family members,,: My Daddy was the Best, Whats Grandma Got That I Aint Got,Tiny Little Shoes,Mothers Song, But this album is primarily dedicated to the family man, and passionate love, an area that few songwriters have ever written about. From "I Love the Way you Lie," to a woman asking her husband to dance for her in I Love How You Love Me, we are introduced to tasteful but sensual songs which argue brilliantly that love making is not less powerful in marriage than in new relationships. This album is a guitar and vocal, just the way Penelope has performed her songs throughout the world at festivals, clubs, and conferences. Everyone enjoys her warmth,humor and ability to capture bits of ordinary life into song. She has been called a Female Jimmie Rogers and an American Edith Piaf.
