Travel through a diverse musical palette of songs that will tantalize your musical tastebuds. Phil Hammon has created his own inimitable style by blending unique songwriting and an edgy sound that screams progress in a classic voice. 10 MP3 Songs ROCK: Folk Rock, POP: Today's Top 40 Details: Phil Hammon is a singer/songwriter exploring everyday life with a musical and humorous twist. With two CD's entitled "The Librarian's Nightmare" and "Frankenstein Baby" it is apparent that Phil likes to joke around. Whether dealing with issues of national concern or personal flaws, Phil always maintains a sense of humor. Whether laughing directly at himself or helping others learn to laugh at themselves, Phil is trying to lighten the load we all bear, emotionally and physically, through stress. Life is too short to be wound up like a spring and if one person finds a release in Phil's music than the artist feels he has done his job. However, don't be surprised if Weird Al is not what you get with Phil Hammon music. For more information on Phil please visit his website at philhammon or email him at phammon@philhammon.com
