Exotic, Passionate and Exciting flamenco guitar music with Mediterranean/Middle Eastern flavors. 8 MP3 Songs
WORLD: Flamenco, LATIN: Flamenco
Details: The songs in this album reflect the true inner thoughts of the artist, Rod Mobasher. The melodies are a unique blend of Mediterranean, Latin and Middle Eastern cultures. Born in Iran, Rod's deep desire to start learning and playing guitar was encouraged by his beloved mother Navabeh, during his teenage years. Rod lived most of his adult life in US practicing engineering as his profession. But, the burning desire to bring his unique style of music to the public, prompted him to make his first album, Guitarra Con Amor. This album is dedicated to his mother's memory, and is a small token of his appreciation for her endless love, devotion and sacrifice that she dedicated to her children.
