[DOWNLOAD HERE](#)

Original and traditional country, folk, and country blues, with an occasional oldie but goody thrown in for good measure. 11 MP3 Songs in this album (34:37) ! Related styles: FOLK: Folk Blues, COUNTRY: Country Folk People who are interested in James Taylor Tom Rush The Big Bopper should consider this download. Details: Its impossible to pigeonhole the musical style of Steve Brennan. Sometimes, hes a folksinger, sometimes it could best be described as country. Then again, his back porch country blues version of Carol Kings Im into Something Good, will certainly send Hermans Hermits fans away shaking their heads. Theres a brushy, Jazz Trio approach to Bill Morrisseys King Jellys Good Morning Irene song. And then. the James Tayloresque conversation with a friend named Vinnie. Along the way, tribute is paid to Elvis , Jim Reeves, and Johnny Cash. The album opens with an original entitled, I Know this Road, considered by most to be Steves best song. Its the story of a truckers life as told to a passenger in the cab of a big rig headed north. There are other bright spots, but one thing is for sure, there is zero filler. He can sing, and he can play. Eleven songs, eleven keepers. That is as it should be. Enjoy.
