Supreme Regime the New Millenium of Hip Hop. Words can't describe the music or the style. Listen to the album and I guarantee there are no groups on this site or others like us. I repeat NONE. 16 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: Origin: Supreme Regime was conceived in Hollis Queens, New York. Three-breath taking M.C.'s united as High School students to form a group later known as, " Sleepwalkazzz". Havoc, PnHead, and Mad Man, today know as, Millenium. Kaitawn and Mad. These three warriors have been grinding the battlefields ever since, in hopes of one day gracing the world with their talents. Along the way they have united with soldier who were just as deep in the struggle as starving artist, so what better way to attack the streets, but as a unit. Ali and Bambu, who have now joined to formulate the group currently known as, Supreme Regime, The Regime is focused on setting new trends and putting a strangle hold on the industry as the major objective. Not you're average, "run of the mill group". We are a complete unit of starving artist, well prepared to launch our careers in the music industry, where there is a much needed demand for good music. The All-Star production team consists of Millenium Pimp, and Regime affiliate, D.J. Sleepy Hallow, Glory Houndz and Mr. Reasons. The All-Star writing and publishing team consists of, Ron Jesus, Ali and King Kaitawn and Mad. With two underground albums and solo projects, various showcases and underground music awards, we have put together an assortment of works in the underground circuit unsurpassed by any others. From King Kaitawn's nomination for best live underground performance, to Ali's hit album, "Game Time" and the Ron Jesus solo project, "Everyday". The track record is endless and will become a household name for years to come. Whether it be as a group or individual performance, we have graced the stages of venues such as, Peppers, Downtime, Dun Hills, Speed, Nuyorican Caf, SOB's, CBBB's, The Pyramid, and various other talent searches and showcases.
