Only the best yum-yums homies. 14 MP3 Songs HIP HOP/RAP: Hip Hop, POP: Quirky Details: Hello there fellow stargazer! Thanks for taking the time to take a peek at what we might have to offer to your journey across Gods glorious ground. Were a group of four fellers out to slap smiles on the mugs of many. You know, the whole frown upside down deal? Yep, thats us. Were the CrackaJack Crew (Krees, Oey, Jargon, and Mello Mike), four white dudes attempting hip hop. So heres the deal: we make raps for fun and donate all of the profit to charitable foundations. Its a win-win situation! That means, if you cop an album then your giving to a good cause. Yay! The CrackaJack Crew Has Gone Stale is our latest and greatest album. Its redonkulous! Its got crazy 80s dance club vibes to in your face, lean to side gangsta attitude. Arg. We put a good bit of time and effort into this jem and its waaaay worth checking out! We would say something deep like, its an expression of our inner turmoil, or whatever, but its really not. Its just us, the CrackaJack Crew, having fun and making hip hop for crazy homeboys and homegirls like you! Hopefully youll find as much joy in it as we have. Yippers! Love, The CrackaJack Crew
