Bringing music back to the forefront with songs for the spirit delivered by 5 females described only as the amazing Clark sisters meets the jazz harmonies of Take 6. 12 MP3 Songs SPIRITUAL: Contemporary Gospel, POP: Pop Details: These five talented women have crafted a unique sound that feels like they've been singing together forever. Their musical influences run the gamut and can be clearly heard in their music. They evoke power and soul of an Aretha Franklin, the tone and accuracy of Ella Fitzgerald, the colorful jazz harmonies of Manhattan Transfer and Take 6, and the simplicity and vocal "playfulness" of the gospel greats THE CLARK SISTERS. Since their conception they have wow'd audiences all over the USA. Even without the instruments they are able to bring a heartfelt warm sensation over you as they are regional champions of the Acapella Harmony sweepstakes in both NYC and Boston. They do it all. From songs that will make you want to get up and clap your hands, songs that will make you want to sing along and then songs that will make you wanna stand and give praise. The goal of these five women are to leave the listener with such an impact that they wont soon forget!! Hence their name TRACES. Come into the world of TRACES and be blessed with what this new age of female gospel singing groups has to offer. Tags: pop
