

Mp3 Violet Island - One Or Nothing

[DOWNLOAD HERE](#)

Modern moody new wave atmospheric pop with lyrics that read like poetry 12 MP3 Songs POP: New Wave, ELECTRONIC: Pop Crossover Details: Based in both the Midwest and New York City, Violet Island's music has been described as "provocative and evocative poetry encased in lovely melodies with an edgy sound mix" and a "blend of electronics with organic instruments not unlike Sarah McLachlan, or the more toned-down moments in Peter Gabriel's recent catalogue." Violet Island is also ... "...lyrical, soothing, tranquil..." "...modern and homespun..." "...they exhale musical fresh air with their takes on life, love and everything in between..." "...searching themes..." "poems wrapped in the embellishments of brilliant instrumentation - vivified portraits and stories that bring to the listener's conscious deep emotions, complex and interwoven..." Violet Island is...
