This new e-book edition of Smart Keno Play is the ONLY keno book on the market written by an actual Keno millionaire. The authors of this book have worked in every aspect of the Las Vegas Keno industry for decades. Smart Keno Play will take you through the game starting with the game's earliest beginnings and work it's way through comprehensive, easy to understand instruction of all the various ticket types that can be played. This is not a "methods" book selling a "Easy way to beat the system", although it does include some playing methods for you to try. It is a highly educational reference book meant to instruct the reader on the many aspects of this popular game. Whether you are a beginner who wants to learn about simple straight tickets, or a advanced player that wants to learn the advanced mathematics of the game, Smart Keno Play aims to turn you into a "Smart Keno Player" by helping you understand the rules, odds and mathematics of Keno. A reader should be able to use the information in this book to develop and refine their playing style to maximize their chances of winning, while simultaneously increasing their enjoyment and understanding of the game. There are 160 pages complete with over 200 detailed illustrations of the many different ticket and game types available. The book also contains a complete

mathematical breakdown of straight tickets, odds after the game begins, and a master table of possible combinations for all 80 numbers.
