A Guide to Discovering Your Potential Expanded, Updated, Revised The Alchemy of Quantum Mind Feng Shui is an easy, step-by-step guide committed to unleashing your spirit by balancing the energy of your body, mind, and spirit with the energy of your home and career so you may rediscover who you really are. As you grow and change your goals, so must you change your home. This guide uses feng shui in conjunction with the chakras of the body, oils, stones, mudras, and meditations to achieve your highest dreams and goals. The home, body, and mind come together in accordance with the universal law to give your life an even flow. Discover that, like the lotus flower, you are indeed in perfect proportion with the pearl of wisdom housed deep within your heart and mind. The alchemy of prosperity is created through your thoughts and ideas. The Alchemy of Quantum Mind Feng Shui is the first in a series of three books. This first book sets the stage to stabilize the body and home to facilitate change. The second in the series, Reconnecting Your Spirit, is used to help those who wish to decode their childhood programming, generational tendencies, and word formations to discover who they truly are and what they desire. A New Normal: The Connected Being is the third book in the series, taking you further into the realms of spirit and intuitions. This book encourages you to reach deeper into the depths of your mind and view the world through metaphysical eyes. It teaches you how to watch for the signs and metaphors sent from the heavens to guide you daily through your life. A New Normal: The Connected Being features actual stories of coincidence and angelic guidance, as well as pictures of unexplained energetic activity. In the words of St. Ignatius of Loyala, "For those who believe, no proof is necessary. For those who disbelieve, no amount of proof is sufficient." A New Normal: The Connected Being will change the way you view your world. Mary Shurtleff has taken feng shui into the twenty-first century with a combination of feng shui interior design, hypnotherapy, theta healing, and other tools of the metaphysical arts to help her clients unlock their hidden creativity, productivity, and spirituality. Mary encourages her clients to develop their sixth-sense ability to blueprint their life plans. When this combination of traditional interior design feng shui for the home and body is recognized, and familial programming is changed, the results are remarkable!
