As a detective in Chicago, J.T. Logan had put away a lot of criminals--and had made a lot of enemies. However, the last thing the widowed father and current small-town sheriff expected was crime in his own backyard. Until his young daughter was kidnapped. FBI agent Madison Spencer found herself working with J.T. again, on a case painfully different from their previous one. She could only watch as he struggled to remain coldly professional while his heart was in anguish. And what of her own heart? Romance should be the furthest thing from their minds. All she could do was hope--and pray--for them all.
