Magickal workings and everyday life itself are significantly enhanced by astrological knowledge. In Astrological Magick, Estelle Daniels explains the language, symbolism and techniques to the student of magick. Ranging from the simple to the complex, the techniques presented do not require extensive math or natal charts just an astrological almanac making this book an easily accessible and useful tool when choosing opportune times for magickal events or seeking to understand the magickal nature of your personal astrology. This is the first book to explain how people interested in the pagan way, in Wicca, and in magickal practices, can apply astrological indicators and energies to important timings and rituals.
