Scorned by her own kind for her half-breed elf status, Julija lives a lonely existence among her Ivory Elf kin. She is the only one the elves can trust when a magical book on elf lore is stolen. Relegated to steal the Book from the vampire thief, Landau Jamieson, she's surprised to discover he has the ability to walk in daylight. Refusing to be deterred by developing setbacks, she's committed to executing the heist for an Ivory King who grows more desperate to possess the Book. Nothing about the vampire is as it appears and Julija begins to doubt her mission. Worse, she begins to worry she won't have the strength to guard her heart from her sworn enemy. Landau is fascinated by the elf stalking him and baffled by the erotic hunger she elicits in him. After all, he's been impotent for ten thousand years. Soon he discovers the lovely sprite is a pawn in a dangerous game-orchestrated by none other than a reviled enemy from his past. She blind-sides him with her beauty and her magical powers, the least of which is the spell she casts on his heart, as the sinister plot unfolds. What started out as folly to catch a thief, blossoms into a love that casts aside bloodlines and erases all boundaries. Excerpt: He sucked her finger into his mouth, his gaze holding hers steady as he sipped nourishment from the tiny wound. A moan tore from her. He

suckled again, a hard drag that tweaked her clitoris. "Mmm." She moaned, arching her back, needing him inside her. A grin skirted his lips as her vampire suckled. She cried out as an orgasm jerked through her, surprising and embarrassing her. Landau chuckled. "You're easy, Jewel Master." Easy, yes. Sex-starved too. "I don't know what that is." Her ragged breath hitched as she tried to orient herself and follow the conversation. "How can you not?" His brows met his hairline, showing his surprise. "Jewel Masters are rare, but still" He eyed her speculatively. "You're joking, right?" Julija didn't think she could muster a verbal response so she shook her head. "I'll show you," he said, his gaze determined. He looked at the jewels surrounding them on the bed, his fingers skimming through them until he located a diamond at least ten carats in size. He pressed the flat side against a nipple. "Can you feel it vibrating?" "Yes." She strangled on the word. The vibration against her nipple was connected to her vagina. "Only a Jewel Master can make it do that." Landau trailed the diamond to the other breast and smiled at her moan of pleasure. "I'm not a Jewel Master," he said. "Wood Elves create Jewel Masters." He clarified the last sentence with, "I don't have Wood Elf in me. You do." Mischief darkened his gaze as he dragged the vibrating diamond down her belly, circled her navel and then slid it downward to the flesh at the apex of her thighs. As if entranced, Landau spread her vaginal lips and pressed the gem against her clitoris. The diamond acted like a tiny, wicked vibrator. Five seconds. She panted. Ten seconds. She panted faster. Fifteen sec- She climaxed a second time. The diamond launched into hyper-vibration drive, the harmony wobbled her eardrums, the melody so loud, Landau flinched. He slid the rock lower, soaking the crystal with her wetness. He pressed the gemstone against her entrance; the humming diamond grew louder, vibrated rapidly against her swollen flesh. Grimacing at the decibel level, Landau removed the stone from her body. "Proof," Landau said, sounding strangled. When she focused on him, his eyes turned blood red and he looked turned-on, like her. "You're a Jewel Master."
