Simple to use. Look at the example of the program being used Add Title to your article You can add 4 articles Per Session and up to 15 articles per 24 hour period. IMPORTANT: Title of your First Article will be the Name of your account. E.g. geocities.com/Your-Niche-Name/ So choose this first article title wisely. This is what you want to rank well for. In the body of the window add your article or webpage in html only. You can add text though it will not be formatted correctly Make sure if you use articles you put links to your own site and its internal pages in the relevant keywords or key phrases throughout your article. Enter the main URL that want links to in the Enter URL: field.
