Guarded Beginnings Rebecca Airies Denise Arensal is stuck on an isolated planet, trying to protect a man and his flighty sister. When help arrives, at first she's thrilled, but then she sees the two men from her dreams. Memories of another time tell her she can't trust them. Yet, her fears can't hold back her desires... Davik and Camin know she's wary of them. They seduce and tempt her into giving them what they want-her love and trust. They entice her closer with teasing kisses and carnal games, determined to show her they belong together. Denise needs to know if the men are offering more than just hot sex and a warm bed, but there's little time to find out. Between sensual stolen moments, ever-increasing mercenary attacks make every day a fight for survival. The trio will have to rely on each other if they want to make it off the planet alive.
