Lissana is horrified to realize she's still hot for Tragan years after she'd sworn him off, hating him for the way he dumped her sister. Not only that, he's also taken her childhood nemesis Dalin as his mate. But she can't control the way her body reacts to both men, nor can she discount the ecstasy she discovered in their arms one sex-filled night. Try as she might, she can't avoid them, for the Goddess has grouped them together for the ritual that is supposed to bring her back to her people. Tragan and Dalin themselves set out to beat down Lissana's defenses because she completes their mating, the tribe's opinions be damned. Not only do they need her in their lives, but their pairing may be the key to honoring the Goddess and saving their land. Reader Advisory: This book contains a scene of orgasmic, orgiastic bliss.
