Mp3 Alex Wall - Wake To Dream

DOWNLOAD HERE

Alternative Folk, World Music 10 MP3 Songs FOLK: Folk Pop, ROCK: Folk Rock Details: This is a mostly Folk LP. I have mixed in some grungy guitar, keys and syths. My idea on some songs (Wake To Dream and Wild Iris) was to mix basic Folk with that kind of guitar. Please visit the alexwallmusicwebsite for lyrics and to get free downloads of some songs. Please also sign the guest list and add your email address for future updates. As always... Thank you for lending your ears! ALEX WALL
