

Mp3 Art Paul Schlosser - Be My Valentine

[DOWNLOAD HERE](#)

To the most part this CD is a bunch of weird romantic songs and some odd sound effects songs and might just be what your looking for to keep you amused on a boring day 36 MP3 Songs FOLK: Folk Pop, BLUES: Acoustic Blues Details: Be my Valentine Drive me crazy and blind For your love I will do anything I'll even try to fly even though I don't have wings I'm a fool for your love Yes I can be crazy and dumb Try me anytime See how love is really blind Be my Valentine All common sense I'll leave behind For your love I'll even do time So what if I didn't do the crime Hi,I'm ART PAUL SCHLOSSER and when putting this CD out I was trying to do a romantic style CD(Actaully funny romantic or strange) but I had some extra stuff and the romantic songs wheren't very long so as you can see I threw some jokes in and a Bret Farve song(4) because Packer songs were selling pretty good and I liked Bret Favre's passing ability at the time.In doing this CD I wanted to go back to my roots of folk and blues because I was inspired by this acoustic guitar I had that had a bluesy sound to it.The Cover was a drawing that while I was playing Dan Huran drew me and then handed me the drawing.I liked it for the cover because I'm upstaging the audiance.I also liked it because my weird song Beach Old Lady is on this CD and I thought since I'm wearing a hawaiian shirt that might look interesting and hawaiian shirts make a guy look handsome.I choose red instead of black to go with the Valentine theme.The CD is also red and has a heart on it. The Last song The Filler song was written live in the studio and done in one take.The Filler song is basically a song to fill up the CD so you get more music for your money.Be My Valentine is my longest CD as far as time.Well I hope this helps you decide-APS P.S. You Mom will like this CD too ! There's candy Icecream Chocalate Good dreams And I like my Mother ! Mothers are sweet Mothers are nice They help you Give you good advice And they make you cookies !
