Brg se Brmm is one of the leading European laptop artists and multi-music/media performers. 9 MP3 Songs ELECTRONIC: Experimental, WORLD: Island Details: But she is always going a step further than the others, now towards "very independent computer generated art music." The famous Norwegian psycho artist ("Playing With Myself, Myself") and Oslo based musical underground performer, also known for her quirky operatic soprano and vocal attacks against fish - thrills you, surprises you and even changes your view of reality. Her performances in Oslo and Stavanger with background video projections of drifting herring are as legendary as her surreal live dancing and crawling. Also appearing on this recording for the first time le-Torsten Gdmndssn-Jensen, the singing male vegetable lasagne and expressive mezzo-soprano from the thrilling Hardrangervidda, and famous virtuoso of the Hardranger Mandolin. They are leading towards live improvised sampling through programming and the world of independent electronica/computer generated European folklore and entertainingly dark Scandinavian madness. "Most innovative." Keys, 11/05 "What the hell is THIS?"
