Exquisite Classical Celtic Renaissance music combining the centuries of great music onto one album. 16

MP3 Songs CLASSICAL: Contemporary, WORLD: Celtic Details: YOU CAN EARN QUALITY

RELAXATION TIME OR ROMANCE SOMEONE YOU LOVE BY WITH SONGS OF THE MUSE The

Brobdingnagian Bards rose to international fame in just three years due to the success of this CD.

SONGS OF THE MUSE is an instrumental album filled with nearly sixty minutes of beautiful Celtic

Renaissance melodies instrumentals. But it was the initial release of "TOLKIEN (The Hobbit Lord of the

Rings)" that guided their success. "TOLKIEN" topped the MP3Celtic charts for 32 weeks in 2001. This

success led to over a million downloads of that one song and launched their career. But "Tolkien" wasn't

the only hit from Songs of the Muse. Their adaptation of "Greensleeves" held the #1 slot on MP3.com's

Renaissance charts for sixteen straight weeks in 2000. Turlough O'Carolan's masterpieces, "Eleanor

Plunkett" and "Carolan's Concerto" likewise topped the charts. But the most popular songs on the album

are the original songs, like "Shepherd's Serenade", "Valeria", and "Maids in the Meadow". The music is

beautiful and inviting, and no doubt one of the most romantic albums you will hear this year. If you enjoy

romantic instrumental Celtic or Renaissance music, you will fall in love with this album again and again.

ABOUT THE BROBDINGNAGIAN BARDS The Brobdingnagian Bards (pronounced

brAHb'ding-ng-EE-en) are The Original Celtic Renaissance music group from Austin, Texas offering free

Celtic mp3 downloads. They perform a unique style of music combining Scottish and Irish folk songs with

music inspired by the Lord of the Rings, performed on non-traditional instruments--autoharp, recorder,

and mandolin. In just five years, they've completed six studio albums and performed coast-to-coast. Ask

their fans, and they'll tell you The Bards are just plain "fun!" Which makes sense since, after all, they just

love the music. CD REVIEWS OF BEAUTIFUL CELTIC RENAISSANCE MUSIC "the perfect background

for an intimate recitation of Christopher Marlowe's Passionate Shepherd To His Love" -Traditions Magazine ...the Austin-based Bards are masters of traditional folk. Like a Celt-Renaissance They Might Be Giants, [their] albums are equal parts lilting melodies and good humor. Their song "Tolkien (The Hobbit Lord of the Rings)" is an unexpected MP3 hit." -Austin Chronicle
