Cutting vocals akin to Live and STP over an ocean of Les Pauls backed by pounding Zepplinesque rhythms. 11 MP3 Songs ROCK: Hard Rock, ROCK: Modern Rock Details: CBW IS: JASON MERRITT Guitar, Vocals SAM SOLIS Bass, Guitar MIKE WATERMAN Drums, Percussion SHORT BIO: Soon after Cryin Blue Wine earned a rabid local following and massive local radio airplay with their self produced 1999 EP "Pieces" in their hometown of Pueblo, Colorado Jason Merritt (singer, songwriter, guitarist) headed West to team-up with long-time friend and guitarist Sam Solis. Upon Jason's arrival in San Diego they enlisted the Zepplinesque drumming of Mike Waterman and with the help of Producer/Engineer Darrel Harvey (Blink-182, Unwritten Law) put out their diversely soul-rocking 11-song debut CD "Mad Married Circle". With vocals akin to Live and STP their powerfully anthemic, overtly spiritual music driven by a foundation of hard-hitting melodic rhythms set the stage for a full-on assault of the SoCal music scene.
