At birth he was named Derrick Searcy, the month was June and the day of the 28th. At the age of 5 years old he relocated and blessed the "Sin City" by gracing the streets of Las Vegas Nevada from that day forward. D-Love was raised by his Mother and Stepfather and is the oldest of three children. His mother, Aletha played a major role in his life. She introduced him to the sounds of R&B, Soul, The Blues and Hip-Hop at a very young age. His interest to become a rapper started at the age of 12 years old and his favorite artist were Run-DMC and L.L. Cool J. Later his music influences would chose the type of music he would listen to and eventually make. Growing up in the vicious streets of North Las Vegas, he was no stranger to the struggle of growing up hard. Hated by many and loved by his 2nd family he was known to everyone as Uncle "D" and later D-Love. He attended school at Rancho High where the plot thickened and the trials began. Now he's all grown up and influenced by artist such as Tupac, Biggie Small, Snoop Dogg and Jay-Z. Here's your chance to perceive what went wrong and what went right in D-Love's eyes. It's time for this genius to be unleashed. Real, uncut, raw Las Vegas style. There's that saying, "What happens in Vegas stays in Vegas". Don't get it twisted, there's more than just the Strip.
