"Centering" expands on Deosil's signature sound by incorporating nature sounds such as nighttime ambience, gentle flowing streams, bells, gongs, and vocal toning and chanting. Along with the acoustic recorded sound Deosil adds very lush synthesizer harmonies, meticulously produced beats, and a deeper sounding meditational flow that will be the perfect companion to a yoga routine or an inner spiritual journey. The mission behind Other Realm Music, Deosil's own private label, is to heal people by using the therapeutic qualities in his electronic and acoustic music. Two years after establishing Other Realm Music, Deosil has donated his time to local charity events, worked with hypnotherapists, his music is used by reiki instructors, played in yoga studios, and is featured in meditation circles in his hometown area.
