Children's World Music Album =Join Mr Sleep and The Flying Green Toad on an adventure into the heart of dreamland. Woven with wonderful world music, each song contains a gift - an insight of wisdom. 13 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Kid Friendly Details: A musical adventure into the heart of dreamland. Woven with wonderful world music, Mr Sleep and the Flying Green Toad is an eclectic collection of instruments songstories, a musical journey, where the wisdom and insight of each song holds a special gift from dreamlands secret garden. produced by three fathers residing in the Byron Shire of NSW Australia. Avishai Barnatan Amir Paiss, (from the internationally acclaimed Hebrew-Arab world music band Sheva: sheva), and inspirational speaker and author Yossi Ghinsberg (ghinsberg.com) the Mr Sleep CD comes with a beautifully illustrated booklet full of whimsy and magic. The music was recorded by Avishai and Amir at the Globalev production studios established outside Byron Bay last year. Mr Sleep includes influences from the Carribean to the Middle East, and the tales are told with the support of many local musicians on the CD including Greg Sheehan, Steve Berry, Cleis Pierce, and many others. the grand live 8 piece ensemble will include Amir Paiss, Avishai Barnatan, Darpan, Kamal Engels, Oles, Jamie Patugalan, and wonderful 11 yr old singer Kayla Moon. Mr Sleep is a friendly guide and companion for children at bedtime. The music is a tool to help kids to let go of their worries before nodding off to sleep. Mr Sleep shares musical stories about his journeys around the world and the characters he meets along the way. As he leads children into this magical world of dreamlands secret garden, Mr Sleeps words offer guidance to help answer any challenges kids may experience in their daily lives. With its One Family theme, the story also gives children a positive message about world peace, tolerance and unity through diversity.
