Treasured old-world melodies in gorgeous new settings for solo harp. 14 MP3 Songs FOLK: Traditional Folk, NEW AGE: Celtic New Age Details: Keepsake is a rare gem among folk music recordings: beautiful and haunting traditional tunes are presented in an exceptionally sensitive, lyrical, and completely unpretentious style on the small (26-string) folk harp. Drawing from Harper Tasche's extensive knowledge of ethnic musical traditions, these songs and dances come from Ireland, Norway, the Isle of Man, Scotland, Albania, Cumbria, Poland, Greece, and America. They are set like precious stones in arrangements of elegant filigree, which enhance - rather than overwhelm - their inherent beauty. This is pure acoustic music exactly as you would hear it live and "unplugged" - without heavy equalization or reverb, "nature sounds," or synthesizers. Letters and comments from fans: "Listening to Harper Tasche is like witnessing the music of the spheres - he has tapped into the underlying music that drives the universe." --Online Harp Digest HARPER TASCHE holds a unique and prominent place in the folk harp world. He is internationally known as an expert on cross-strung and small folk harps, distilling European, Scandinavian, Celtic and American music into a distinctive and intensely lyrical style. Harper's credits include eighteen recording projects, international radio airplay, television and film work, composition commissions, and music books in two languages. Based in Seattle, he also holds the title "Millennium Harper of Washington State" from the Harping for Harmony Foundation. Harper can be reached via harpcrossing.com.
