GOSPEL: Contemporary Gospel, URBAN/R&B: Rhythm Blues Details: Based in las vegas, this band of 9 musicians, vocalists and songwriters came together as a worship team at church. With 9 different styles to choose from, the album is very eclectic and diversified. The album's range moves from the rhythm's of 60's soul, to the clean funk of the early 70's, and finally to the smooth styles of hip-hop and r&b of the 80's and 90's. There is a bit of everything for everyone and more than anything it is an uplifting album that brings the Word of God out in ballads, fun funk, and smooth harmonic tones. You will come away feeling better for the experience. God bless, IPH.
