

Mp3 Jim Glennon - The Low Down

[DOWNLOAD HERE](#)

A mixture of the influences from the old delta chicago blues to the english and american folk scene right through to good old rock roll 12 MP3 Songs FOLK: British Folk, FOLK: Folk-Rock Show all album songs: The Low Down Songs Details: Hi my name is Jim Glennon. I have been writing songs since 2004. In 2007, I released my first CD "Home Recordings 2007" you can pick up the CD at CD Baby or itunes. Look for my new release in 2008 "The Low Down". My music is a blend of the influences that I love from the Delta and Chicago Blues, through the English and American Folk scene to the good old Rock n Roll. You name it, its in my music.
