

Mp3 John Skelton And Kieran O'hare - Double-barrelled

[DOWNLOAD HERE](#)

Exciting fist-in-glove duet playing of Irish traditional music on two flutes and tinwhistles--driving and powerful, with guest Dennis Cahill on guitar. 15 MP3 Songs WORLD: Celtic, FOLK: Irish Traditional
Details: From the Liner Notes: "In the summer of 2002, the two of us sat down for a few tunes in McKenna's of East Durham, New York. We really enjoyed ourselves that night. Two flutes together can create a musical spontaneity and a rhythmic back-and-forth that is about as wild as you can get in Irish music. We wanted the music on this recording to sound as much like the way we played that night as possible. The flutes were recorded over a couple of afternoons, with no edits, no overdubs, and no prisoners taken! Here is the full package, with flutes going, feet pounding, and air breathed. We hope you enjoy listening. John and Kieran"
