Pump this out of your stereo people. Hot new electro-pop full length that will spice up any room it's played in. Recommend for DJs remixes. 13 MP3 Songs ELECTRONIC: Electro, URBAN/R&B: R&B Pop Crossover Details: Kelly Moe A.K.A. Basic, 3asic, Flava Kelly, Program red and Cire was born in Pendleton Oregon and adopted at day one to a loving family in Portland, Oregon. He was raised in an inspiring family that supported every inch of talent. Kelly was born a performer from the get go; theatrically expressing him self by singing, dancing and producing art in independently driven way. Music for Kelly really started to become serious around the age of eighteen, when casual jam sessions and album collaboration's put him in a position to find his niche as a lead vocalist and composer. Eventually he became more hands-on with his music, using a cheap Casio keyboard and a hand-me-down mike to record and produce some of his first compiled albums. (::lol:: never to be released to the public.) The more Kelly found his strength in his music the more he took himself seriously as an artist and performer. As Kelly's music builds momentum, plan on catching his act live in his forever evolving career. People who are interested in Prince Moloko Esthero should consider this download.
