Bluesy folk rock peppered with tastie chunks of hot guitar saute'ed in various genra flavors.Poetic lyrics poured onto soulfull melodies. 10 MP3 Songs POP: Folky Pop, ROCK: Acoustic Show all album songs: My Sweet Nemesis Songs Details: About, My Sweet Nemesis. Larry Pless explores new musical areas in his new CD release, "My Sweet Nemesis". Best described as a folk/rock album that moves around several genres. Larry's lyrics leave room for personal interpretation and are used to project a frame of mind rather than to paint colorful pictures. This is a good CD to listen to while relaxing in your favorite easy chair. The guitar playing in "Nemesis" is often delicate like that first warm spring dayand then it thunders.
