This album encourages creativity and appreciation for life. Lively and fun. (ages 2-8) Delightful and catchy, children enjoy dancing, singing and playing the album repeatedly. 12 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Kid Friendly Details: The urge to love, to grow, to become, to let everybody enjoy her winged horse and world of fairies; these were the motives which sent Laurie Connable to my creative writing class at Colorado Mountain College in Glenwood Springs. The other talented members of the class acted as midwives in the birth of these and other songs comprising a delightful message of faith, love of life and eternal optimism. That is Laurie Connable
