saxophone improvisation w/ compositional electronica 14 MP3 Songs ELECTRONIC: Experimental, JAZZ: Free Jazz Details: Hear modern music master Mahlon Hoard improvise over evolving organic electronica. Manipulative audio hacker slicnaton arranges these compositions to challenge the depth of the ear. This duo is about pushing the possibilities. The saxophone tracks are all first takes. If you hear two saxes, they were recorded individually and added together during the mixing. The resulting tracks are an essential addition to the eclectic connoisseur's collection.
