Funk rock that grinds raw energy into a glass disk. You can smell the funk cookin... 12 MP3 Songs

ROCK: Progressive Rock, POP: with Live-band Production Details: Mark Du'Velle Doyle A Chicago native

that learned the rules of music by Listening to the great Rock, Funk R&B players of the era Grasping a 30 year knowledge of Groove And Theory He seems to apply it seamlessly toward the art of guitar.

Acquiring the last and most important class for his Art when he moves to Mississippi. That class teaches Him how to feel the music and play it from the heart That class is the Blues. That move brought a change.

That move leads him to a job playing for The Architect of Rock Roll Little Richard A job of legendary status Currently venturing out with his own project He Carry on the torch to a new plateau. He still tours

with the true king of Rock Roll. Creator of the intricate Drum Percussion parts on this CD is Michael Brown. A 21-year-old drummer from Vicksburg, Mississippi now living in Memphis, Who has played for

Little Richard, Bobby Rush other Rock, Blues R B Artist. Making a name for himself with a style of playing that ranges from Dennis Chambers to Neil Peart. Michael is one to watch for in the near future.

We hope you will enjoy this CD. Thanks for listening!!!! Credits: David Letterman Show Jay Leno Show

Jerry Lewis Telethon PBS Show The 2002 Atlanta New years Peach Drop The 2004 SXSW Music

Conference in Austin,TX The 2004 Liberty Bowl Halftime Show The above shows were performed with Little Richard.
