Pop Rock Folk 12 MP3 Songs POP: 60's Pop, FOLK: Folk Pop Details: Hi Folks, I am Neal Storme, I am a Singer Songwriter, Guitarist and I have produced and co-produced for many NW Artists, Reggie Garrett and the Snake Oil Peddlers, Cecil Berry, Mary Chinni, Greg Blanke, Susan Harper, Billy Duane and the Creepers, Nate Breed and many more. Growing up moving all over the USA, I was able to listen to all kinds of music. From the early morning gospel at a Tent church on Rainier Avenue in Seattle after my paper route; to the TEX MEX sounds in Phoenix , to the Italians singing in the Streets on Providence, R.I. to the days after I left home (quite early) at Moratorium Day in Washington, D.C. My parents house either you listened to Jim Reeves and Tammy Wynette (my Mom) or Harry James and most of the other Big Bands (my Step-father) to my older Brother Bill and the Beatles and Stones, to my sister and the Top 40. After leaving home, I went to any and every Be-In Festival or Concert I could beg borrow or work my way into. I was caught as a runaway in '69 and was "subjected" to all the free concerts every weekend at the Waikiki Shell what a gas. I listen today to everything I can get a chance to hear. Ok.... A lot of folks have emailed me and left messages asking if I was or am a Street Musician or Busker. Yes, that was me and sometimes still me. Yes that is me on the Mural of Street Musicians on the Second level of the Pike Place Market. I played Street Music here in Seattle for many years. I also Busked at the Square in Georgetown in Washington, D.C. , Venice Beach, California, Washington Square, NYC; and various other places around the Country. As an activist,I spent a lot of my time learning production (on stage and off) and had to learn to operate a PA, and manage stage crews and work with Speakers and Artists..... I was blessed to work with and learn from Don "Dodger" Dodge (amazing FOH and recording engineer), Mark Newman (guitar tech extraordinaire) and Tom Dierda (brilliant man). Thanks guys. RIP Tom. Northern Stars I worked with, guided, and produced a lot of Folks (Local, National and International Artists) and a lot of

them are my friends now here on my space. Some of you may remember me as a Volunteer for Seattle Hempfest. I played the first one and played again my last year as a volunteer. Lately, I have been producing Artists that I like and have built a number of Studios for Private Parties, Writing and working on new tunes, Thanks for listening.... nealstorme@aol.com myspace.com/nealstorme Neal Storme 2007 LLC
